EX Students Individual Contributions

School uniforms for economically disadvantaged children have been arranged through donations from ex-students. **(Mr. Rajeev Singhal)**

EX Students Donor Contributions

Two model classrooms for class 12 have new desks installed. During the summer vacation, the classroom side walls will be painted, and new electrical fittings will be installed. Once the finishing touches are completed in the two upgraded model classrooms, we will need support from ex-students to upgrade other classrooms as well. Any individual ex-student or any alumni group collectively can adopt a classroom to renovate it as a model classroom kindly connect +91 9810073893 or E-Mail: spves1948@gmail.com

School Initiative For Digitization

The digital library for senior school students is under consideration as a technology upgrade. An option being explored is to use the digital library setup as a seminar room equipped with smart gadgets. The objective is to provide access to digital content for students' references and to enable any speaker to address the students for motivational speeches. Additionally, career counselors can connect virtually to manage Q&A sessions for the benefit of the students

Sports Development Update

- The football field is getting ready for students to fulfill their aspirations to play and to prepare the school teams for boys and girls to compete in the interschool championship
- The cricket practice nets are being set up to train students after the selection process and coach them for excellence.

Appeal

A few KG and other class students from economically disadvantaged backgrounds require sponsors to cover their educational expenses, also looking for scholarship sponsors / donor to motivate few deserving students. Dear
Editorial Team

On behalf of the entire school management team, I would like to extend our heartfelt gratitude for featuring our school newsletter as a quarterly publication. Our editorial team's effort in sharing our school's news and events with the community is truly appreciated. The newsletter serves as a vital communication tool for us to keep parents, students, alumni, donors, and school staff members informed about the latest happenings, developments, achievements, upcoming projects & events of our school by including them in this publication. It has helped us reach a wider audience and strengthen the bond within our school community.

Thank you for the support from all well-wishers of our school. We look forward to continuing this partnership and working together to enhance communication and community involvement. Your direct or indirect support for the school's development causes to collaborate with the school management on various development projects to implement them for progress.

Warm regards,

Ms. Shipra Das
